Mail Stop Petition
Commissioner for Patents
P.O. Box 1450

Dear Sir:

At the recommendation of the Petition Examiner, Applicants hereby petition in the above-identified application to have included the name Martin V. Shabaz as joint inventor. When filing the Request For Filing A Divisional Application Under 37 CFR §1.53(b) on October 16, 2001, Applicants inadvertently omitted page 3 of 3 of the Combined Declaration And Power Of Attorney For Utility Patent Application, which detailed the fourth joint inventor. It is apparent that a page 3 to that document existed in the way which the submitted first two pages of that document were page numbered at the bottom location of each page; i.e., page 1 of 3 and page 2 of 3. Enclosed herewith is a copy of the previously inadvertently omitted page 3 of 3 of that combined Declaration And Power Of Attorney For Utility Patent Application. It has always been the intent that Martin V. Shabaz be listed as joint inventor.

Additionally, Applicants request a corrected Filing Receipt on the basis of this petition granted thereto.

The Commissioner is authorized to charge the required fees for this communication and to credit any overpayment to Deposit Account No. 04-1679, referencing Atty. Docket No. R0367-00401.

Respectfully submitted,
